The Hygienic 20 Litre Bucket.

When you scale up a bucket to hold 20 litres of solid or liquid ingredients, the bucket becomes more than just a bucket.

That's why we're thrilled to introduce the new 20 Litre Bucket - a combined mixing station, transport system and cleaning vessel that also features state-of-the-art hygienic design and renowned Vikan quality and durability. The 20 Litre Bucket is packed with smart features to facilitate a wide range of issues.
